Through a partnership, we provide children in Africa with support, giving them the chance to attend school. Our protégés have successfully completed primary school and are now starting secondary school, where they will continue their education. We are delighted with the progress they are making and the joy they take in their studies. We are pleased to continue our support furthermore.

Wir unterstützen in Form von Patenschaften, Kinder aus Afrika und ermöglichen ihnen so eine Schulausbildung. Unsere Schützlinge haben ihren Grundschulabschluss bestanden und starten nun an der Realschule ihre weitere Ausbildung. Wir freuen uns über die Fortschritte und die Freude der Kinder am Lernen. Wir führen unsere Unterstützung sehr gerne weiterhin fort.

## ... always giving a helping hand is our demand to our professionalism and our attitude!

Therefore we established
